

## **Subsidised fee details**

### **Undertaking letter to compensate balance fees through scholarship and other fundings**

#### **DECLARATION**

This is to state that I .....

I have joined Oceanik PU and Degree College for the course ..... Dated .....

I have understood the terms and conditions put forth by the college authorities that my total course fees is INR ..... And out of which I am instructed to pay INR ..... from my side, whereas the balance fees need to be compensated by rising funds through scholarships and which may come to my bank account. This amount needs to be compensated / returned to the college authorities in a timely manner without any delay in order to compensate the balance and pending fee of ..... In this regard college authority is entitled to take any necessary legal actions against me / my family members. The college authorities have the right to withhold the original mark cards / documents till I clear the fees.

This term is also applicable to me in case I am availing the facility of the hostel. I understand that the actual hostel fees INR 7000 per month. However I am paying INR 2000 per month and I understand that the balance fees can be raised through any other channels / forms through fund raising protocols by the college authorities. In case funds are not raised in my favour, I'm aware that I will have to clear the balance at the end of the course.

This form is approved and duly signed by me, as a student of Oceanik Education Society and my parents / guardian.
